		Average Range to target (yards)		Average Killzone Size (inches)						Overall Match Difficulty
		32.57		0.92						38.01

Using the Troyer Difficulty Scale, this is rated as a HARD Match.

I wish to thank Brad Troyer and Ray Apellas for their work, on which, this spreadsheet was based. I have liberally used their formulas and basic guidelines while adding my own features and changes. - Kevin Allen
