AA Field Target Match

Match Results, February 21, 1998

Almost Optimal Conditions

by David Still

Match conditions started out in the 40's warming to the 60's by early afternoon. The course had light wind with occasional overcast.

The match had a good turnout having nine shooters in all. Welcome to Sonny Martin and Russell Ray, our guest shooters. We hope to see you again.

There was a target protest on Lane 8, Target 2 where the target was not dropping when the paddle was hit. Since not all shooters experienced this problem, the target was deemed functional. Due to the target's failure to completely drop (45 degree fall), match official agreed to pull the target from future tournaments.

March 98 FT Match

March 14, 1998

The next field target match is scheduled for March 14th. George Gardner has some surprises in store for our next month's match. With March winds predicted, each shooter should plan plenty of practice prior to our next challenging event.

Arrangements are being made to shot a BR50 field target match along with our regular field target match. These bent rest matches will be shot from field target position at 30 yards. This event will have a 30 minute time limit to shoot 50 shots.

The Airgunning Atlanta Club has developed a new web site on the World Wide Web. Information about our AAFTA Club is now available through the Internet to prospective and current members. The site includes schedules for our local matches as well as dates for national tournaments and airgun shows. Results from our monthly field target matches are posted within 24 hours of match completion. Links to many popular airgun sites have been incorporated into our site.

The web site can be found at <http://www.gajobs.com/airguns/>. You should visit our web site often to plan ahead on which tournament you wish to attend. Each match and airgun show page provides a convenient link to more information about the upcoming tournament or airgun event. Your comments are welcome and should be directed to airgun@gajobs.com.
