AA Field Target Match

Tournament Level Competition

by David Still

George Gardner and Bennie Davis coordinated the course setup for Saturday. In anticipation of the upcoming tournaments (Cajun Nationals in Baton Rouge, LA and U.S. National Airgun FT Championship in Hernando, MS) a 60 shot course was prepared providing a more challenging than usual competition. It was stated that the course was more difficult than Baton Rouge, but slightly easier than Hernando.

Weather conditions started out in the 60's warming to the 70's by early afternoon. Course had light to no wind. The wind was a bit tricky occasionally shifting 180 degrees. The match had excellent turnout having thirteen shooters participating. Russell Roy returned with his son, Ike. Welcome back Russell. Harry Stern and Pete Haden found Airgunning Atlanta Club through the Internet. Glad you could join us and hope to see you in two weeks for our next match.

Second Match in March

March 28, 1998

In preparing AA club members for Nationals in April and May, the club has agreed to schedule a second match in two weeks (March 28th). George Gardner, our match official and field target coordinator, stated that he is determined to sharpen our shooting skills by providing AA membership and club guests with another challenging Field Target match.

George also mentioned that the club's FT course is open to Airgunning Atlanta membership on non-match weekends for site-in's and FT practice shooting. He added that he has found it helpful to move site-in paper targets to a FT lane so as to reduce wind conditions and to make site-in conditions similar to actual lighting and wind conditions
